

The More Than Giving Co.

Only Our Nonprofit Virtual Assistants (NPVAs) Are Nonprofit Certified™

If your nonprofit's board and volunteers are drowning in day-to-day tasks, you've come to the right place. The More Than Giving Co. provides remote administrative and operational support to nonprofits in a flexible, affordable way.

What Sets Us Apart?

We have a 20+ year history of serving only the nonprofit sector, we understand the special needs and challenges of mission-driven volunteer organizations. Our NPVAs complete our [certification program](#) of nonprofit best practices before they are assigned to a client.

Our service provides an efficient way to leverage your budget. You can secure the precise amount of admin support need now and adjust that support up or down over time; you can even supplement that support with strategic consulting as needed. It's an incredibly efficient way to leverage your limited budget.

We Hire and Train (so you don't have to)

NPVA Certified™

Our US-based, college educated NPVAs complete [a 10-module program on nonprofit best practices](#).

A Virtual Pro

We require 3-5 years of virtual assistant experience and proficiency in common nonprofit software programs.

Resource Backed

Our NPVAs have access to a library of resources built over 20+ years.

Peer Supported

Access to peers and seasoned nonprofit consultant colleagues give our NPVAs additional resources for brainstorming and problem-solving.
